

EDUCATION ZONE

Did you know at all BBTSA individual event competitions you receive a penalty when you drop your baton.... however the penalty increases the more drops you have

1 drop = penalty - 0.5

2 drops = penalty - 1.0 (0.5 per drop)

3 drops = penalty - 1.5 (0.5 per drop)

4 drops = penalty - 2.5 (drops 1-3 are -0.5 each and drop 4 is - 1.0)

5 drops = penalty - 3.5 (drops 1-3 are -0.5 each and drop 4 & 5 is - 1.0 each)

6 drops = penalty - 14.5 (drops 1-3 are -0.5 each and drops 4-6 are - 1.0 each plus you receive an additional -10 for drop number 6)

Drops after this are -1.0 per drop.

QUESTION

Can anyone tell us what the penalty would be for 10 drops?

We hope this helps you understand the drop penalty system in the BBTSA and understand the impact this could have on your results. Practise hard athletes ... we love to see that ALL CATCH performance from you
